SOME TIMES YOU JUST NEVER KNOW WHAT WE WILL BE PAINTING NEXT. THIS IS A SMOKER CABINET FOR COOKING MEATS, FLAMES SEEMED NATURAL FOR THIS UNIT. BELOW IS THE DOOR.

Here is a nice picture of the interior bed of the HHR retro. The bed is a reproduction of the pick up truck beds of the 1950s, The cut out in the front of the bed floor are the two JL Audio amps. The chrome on the walls used for the break in colors are trim from the fins of the 1957.
