ELITE DETAIL AND PERFORMANCE has relocated to Cape Coral from West Palm Beach. We are the ONLY authorized Adam's Polishes Dealer in Florida and are an authorized AMSOIL dealer.

Adam's Polishes is a company started by a little boy and his passion for bicycles. He started out washing and fixing neighborhood bicycles and grew to detailing a limo fleet for a local company. He then decided to create his own product line and Adam's Polishes was born. Adam's Polishes is guaranteed to **"Outshine the Competition 110%"**.

Through AMSOIL, we can offer you many more premium car care product lines. AMSOIL is the inventor of synthetic oil for vehicle use. The founder, Al Amazuto, was a fighter pilot and engineer, wanted to make synthetic oils available for automotive use. He teamed with other engineers and created the solution. Today, AMSOIL has grown to be an industry leader in synthetic lubricants for automotive, motorcycle and industrial use. AMSOIL has partnerships with Mother's Polishes and Waxes, NGK Spark Plugs, Donaldson Filtration Solutions, Twin Air, Trico Wiper Blades, Wix Filters and MANN Filter.

At Elite Detail and Performance, our goal is to bring the finest in care care products to you in one location. We are a family owned and operated corporation registered with the state of Florida. We bring to you....
