

# CORVETTES ON THE GULF

A Florida Not-For-Profit Organization  
[www.corvettesonthegulf.com](http://www.corvettesonthegulf.com)

In 2003, a number of Florida Corvette owners from the Cape Coral area, recognized the need for a local fundraising organization. With their common interests, they founded Corvettes on the Gulf, Inc. (COTG) Cape Coral, FL., and became a Florida Not for Profit Organization on June 5, 2003. Membership grew over the years and today we are over 170 members strong.

Our mission was then and still is today, to operate as a not-for-profit organization, to promote fellowship among Corvette owners and to promote involvement in our communities. We endorse a pay it forward strategy, to help others first by making many annual financial donations to support local charities.

We ask you for your support and offer an annual sponsorship opportunity as shown below.

*Every amount helps us to help others; we appreciate your support.*
